Veterans Street Banner Program

To mark the 100th anniversary of the Royal Canadian Legion, the City, in partnership with Legion Branch 291 (Richmond), launched the Veterans Banner Program - a special commemorative project to honour and remember veterans from Richmond. The Veterans Banner Program launched on Thursday, April 9, 2026 with the deadline to apply for a Veterans Banner by Sunday, May 24, 2026. The public was given the opportunity to submit the name and photo of someone who served in the Canadian Armed Forces or Royal Canadian Mounted Police.

To be eligible for a Veterans Banner, veterans must have served in the Canadian Armed Forces or RCMP and have lived in Richmond. The Royal Canadian Legion confirmed miliary service prior to approval. Veterans could be nominated by family members or sponsors with no cost to nominate a veteran.

The Program honours 114 veterans for this inaugural round. The Veterans Banners were installed early October and will remain on display through early December 2026. This set of banners will be displayed for three consecutive years through 2028.

This document provides a visual overview of the veteran banners, organized both alphabetically and by branch of service.

To quickly locate a specific banner, simply select the appropriate link in the Table of Contents on the following page.
