<b>Total BTU (Kw)**:</b>			**Except for Single Family Dwellings, if the total BTU (Kw) is more than 409,000 BTU (120 Kw) on a single meter, or over 2 p.s.i.g. at meter outlet, all Gas Permits must be applied for at Technical Safety BC (1-866-566-7233).		

**\*Required fields**

The granting of this permit does not relieve the Applicant, Occupier or Owner from conforming to all requirements of the Safety Standards Act and its regulations as well as every pertinent statute, bylaw and regulation applicable within the City of Richmond governing the installation, alteration or removal of any appliance, vent, or house piping or any portion thereof. All gas fitting work must be done by a Gas Fitter holding both a current Richmond Business Licence and a Provincial Contractor's Licence issued under the Safety Standards Act, except for an owner under a signed declaration.

Applicant Name: \_\_\_\_\_ Signature: \_\_\_\_\_

By signing I am acknowledging the above waiver

Upon final completion of work authorized by permit, the Gas Notification of Completion must be submitted to the City and a final inspection must be booked.

**For Office Use Only**
