GEOCACHING

FREE Geocaching is an outdoor treasure-hunting game that uses a smartphone or GPS device. Participants navigate to a specific set of GPS coordinates to find the prize - a hidden geocache container. With over 3 million active geocaches around the world, the hunt can be taken internationally. Visit the [Geocaching webpage](#) for more information.

ADVENTURE LABS

FREE Check out the 3 Adventure Labs in Richmond!
This interactive, app-based experience is a virtual scavenger hunt for the whole family! Players download the interactive app onto a smartphone and are guided by GPS to various locations. At each stop, players answer questions and learn facts about wildlife and ecology.
