Variances to the **setbacks** may be permitted by a development permit or development variance permit where the variance is permitted by and complies with the **Official Community Plan** (and any applicable Area Plans and Sub-Area Plans).
- For **sites** containing **riparian management areas**, variance to the related **riparian management area** and **setbacks** may be permitted in accordance with the **Riparian Area Regulation** and by a **City** issued permit. *[Bylaw 9871, Sep 4/18]*
