Fight Crime with Block Watch!

If you discover a crime in progress, call 9-1-1.

Block Watch is a free, community-based, crime prevention program sponsored by the Richmond RCMP. The program is to encourage neighbours to get to know each other and identify suspicious activities. According to statistics, Block Watch is known for deterring property crime. Without you and your neighbours, Block Watch wouldn't be as successful as it is today. Thank you for your continuous support with Block Watch and putting a stop to crime!

When You Fight Crime...

A lot of Block Watch successful stories comes from neighbours like you. We would like to share you a story from a Block Watch group that mainly consist of older neighbours that watch out for one another. This close knit community was able to prevent breaking and entering from occurring at their complex when they joined Block Watch and acquired crime prevention tips. Surely after, by securing their front entrance and back door it has significantly shown fewer breaking and entering from occurring. We appreciate all the stories from Block Watch groups and would encourage more successful stories to be shared amongst members. Keep up the great work!
