*"Thank you very much for your guidance, especially for the 'before/after' stretches, warm-up/cooldown with explanation. We feel safe to know that the volunteers have their First Aid knowledge and are carrying radios. We met new friends, although we cannot participate in all of the walks, it is a nice feeling to be recognized by the others. Thanks to the Richmond Walking Guide Book, even if we miss the walk we can try new trails on other days on our own."*

*"I have enjoyed taking part in Walk Richmond as I have learned of trails/spots in Richmond that I didn't even know of. It's great to meet new people. I love being outdoors, rain or shine and to learn about the various locations."*
