In 200 words or less, please summarize how the grant-funded activities help your group accomplish the Neighbourhood Celebration Grant's goals?

- *Encourage activities focused on (re)connecting community*
- *Encourage collaborations between residents, community organizations and Richmond-based artists*
- *Animate neighbourhoods, local business districts, or parks and open spaces*
- *Facilitate intercultural connections*
- *Encourage sustainability considerations at events*

In 200 words or less, describe the impact your project had on building neighbourhood connections:

What benefits were seen during and after the project? What changes have you observed as a result of your grant-funded activities? Did the project help to solve a problem or create opportunities for the future?

How many members of the community were directly involved with your project?

	Description	Number of Individuals
Volunteers	<i># of people who helped plan, implement or accomplish the project</i>	
Participants	<i>Total # of people who took part in the project, activity or event</i>	
Artists	<i># of Richmond-based artists involved</i>	

Is there anything else you'd like to share with us about your experience with your grant-funded project (including suggestions for any future Neighbourhood Celebration Grant programs)?

☐ I have provided two (2) photos of my project.
