2023: Arts and Culture Grants Program Objectives and Description

The Arts and Culture Grants program is intended to support a range of artistic and cultural activity including literary, visual, media, dance, theatre, music, multi-disciplinary, inter-disciplinary, and community-based arts, reflecting different cultural traditions as well as contemporary art forms and practices.

The program provides grants to support organizational capacity through Operating Assistance as well as one-time or time-limited initiatives through Project Assistance. Organizations may not apply for more than one City of Richmond grant per year.

Operating Grants are provided to support the annual programming and operating activities of eligible organizations. All grants are reviewed on a yearly basis and are not to be viewed by applicants as an on-going source of funding.

Organizations already receiving City funding that represents the equivalent of operating funds are not eligible for Operating Assistance. They are eligible for Project Assistance funding if their project is outside the scope of their normal operations.

Assessment Criteria

There are three key areas of evaluation that are weighted equally: merit, organizational competence and community impact. The organization's recent activities (as outlined in the previous year's Grant Use Report, for example) as well as proposed ones are taken into consideration when assessing an application.

Programming/Merit

- Quality of the organization's creation, production, presentation, dissemination and service activities (strength of intention, effectiveness of how it is put into practice, degree to which it enhances or develops a form, practice or process and impact on the creative personnel involved)
- Clear articulation of mandate/vision and degree to which the activity supports their organization's mandate/vision
- Distinctiveness of the organization's activities in relation to comparable activities in Richmond. Does it provide unique opportunities for artists, other arts organizations and the public?

Organizational Capacity

- Evidence of clear mandate, competent administration, functional board and an appropriate administrative and governance structure
- Evidence of financial stability and accountability as demonstrated through prior financial performance, achievable and balanced budgets, and financial management practices and plans
- Evidence of planning in place to support the proposal and/or ongoing organizational capacity (as per realistic schedules, timelines, planning practices, etc.)

Impact

- Level of public access to the work, activities or services
- Evidence of growing interest and attendance
- Level of engagement with other arts organizations, artists and community groups from all of Richmond's communities
- Evidence of promotional and/or outreach strategies in place to encourage wide public participation, awareness and engagement
- Demonstrated support from the community as evidenced through partnerships, collaborations, sponsorship support, in-kind support, volunteers, etc.

Assessment and Awarding of Grants

Complete applications are assessed by an Assessment Committee made up of City staff. A report on the Assessment Committee recommendations is written and submitted to City Council for their consideration and approval.

Council will make the final grant decisions, at its sole discretion, based on the program goals, criteria, policies, requirements and a review of City staff recommendations.

Council may:

- Approve a funding application:
 - in total, with or without conditions (i.e., subject to a mid-year review)
 - in part, with or without conditions
- Ask for more information
- Issue dollars in phases with conditions
- Deny an application

Council has final approving authority.

Funds will be dispersed as soon as possible after Council approval. The objective is to have all funds disbursed within 60 days of approval.

Grants are awarded on an annual basis. Applicants must re-apply each year. Continued funding is not guaranteed.

Conditions of Assistance

Please note that if your organization receives a City Grant, the following conditions will apply:

- Grant funds must be applied to current expenses, not used to reduce or eliminate accumulated deficits. Activities cannot be funded retroactively.
- The Society will make every effort to secure funding from other sources as indicated in its application. It will keep proper books of accounts for all receipts and expenditures relating to its activities and, upon the City's request, make available for inspection by the City or its auditors all records and books of accounts.
- If there are any changes in the organization's activities as presented in this application, Arts, Culture and Heritage Services Division must be notified in writing of such changes immediately. In the event that the grant funds are not used for the organization's activities as described in the application, they are to be repaid to the City in full. If the activities are completed without requiring the full use of the City funds, the remaining City funds are also to be returned to the City.
- The City of Richmond requires organizations receiving a City grant to appropriately acknowledge the City's support in all their information materials, including publications and programs related to funded activities (i.e. brochures, posters, advertisements, websites, advertisements, signs, etc.). Such recognition must be commensurate with that given to other funding agencies. If the logos of other funders are used in an acknowledgement, the City should be similarly represented. Acknowledgement is provided by using the City of Richmond logo in accordance with prescribed standards. City of Richmond logo files and usage standards will be provided to successful applicants. Failure to acknowledge the City's support may result in the inability of an organization to obtain grant support in future years.
- Receipt of a grant does not guarantee funding in the following fiscal year.
- Successful applicants will complete a Grant Use Report online as a pre-condition for consideration of an organization's future grant applications. If the Project has not been completed at that time, an updated Grant Use Report must be submitted upon completion.

Use of Funds

The following guidelines and limitations are designed to meet best practices and to ensure accountability for use of public funds:

- It is expected that applicants will combine the Operating Assistance support they receive with other sources of revenue and financial investment (grants, donations, earned revenues) as well as in-kind support and contributions.
- Operating grants are provided to support the annual programming expenses and annual operating costs of the Society.
- Eligible use of Operating Assistance funds include, but are not exclusively limited to:
 - Fees and related expenses for artists, musicians, programming staff, cultural workers

 - Production expenses (installation of artwork, equipment rental, costumes, sound, lights, etc.)
