1518926	No	25017829	Sarah Faith Photography Inc.	2025/06/20	2026/07/13	The business already holds an active licence for outdoor and off-premises photography sessions, which will continue to take place strictly on-location off-premises, and this application is to amend that existing licence to add home-based digital portrait and headshot photography utilizing an existing studio setup. Zero structural renovations required. The purpose of this change is to transition primary studio operations from an off-site studio space that presents accessibility barriers due to stairs, establishing an accessible home studio option to safely accommodate individual clients on a one-on-one basis. To guarantee strict adherence to home business bylaws, a dual-option operational model is maintained: the home studio is used exclusively for individual, one-on-one sessions, while an off-site studio remains available to accommodate larger groups that are not permitted at the residential location. Full commercial general liability business insurance is maintained and will explicitly reflect this residential location change to ensure complete coverage. Strict on-site client safety protocols are enforced, including maintained clear pathways, secured equipment/cabling, and a dedicated, hazard-free driveway parking zone. Operating strictly by individual appointment only, catering to one client session at a time, with zero impact to the residential area. The studio will operate strictly between the hours of 9:00 AM and 9:00 PM, on an occasional basis rather than a daily schedule, ensuring that client arrivals do not create a steady stream of traffic, blend seamlessly into the neighbourhood, look identical to having standard social company over to the residence, and generate absolutely no noise. No outdoor signage. A large driveway is available to completely accommodate client parking. No retail stock in trade kept on site; custom, on-premises produced print samples displayed for portfolio purposes only.	541920	3251 Georgia St Richmond BC V7E 2R4	3251 Georgia St Richmond, BC V7E 2R4	1	0	1	250.2	0	0	0		250.20	Yes	2025/06/18	Corporation

1527887	No	25026693	Nord Ocean Studio	2025/10/01	2026/07/13	Our business primarily focuses on providing paid instructional courses and workshops in model making, painting, finishing, and assembly. These programs are designed for hobbyists of all skill levels, from beginners seeking fundamental techniques to advanced builders aiming to refine their craftsmanship. We also offer specialized classes for Cosplayers, guiding them in the design and creation of customized props. Instruction is delivered in a structured yet enjoyable studio environment that fosters creativity, skill development, and collaboration. In addition to our educational services, we offer a limited range of model-related products, such as essential supplies, tools, and paints, to support students and hobbyists in their creative work. These products are intended to complement our training activities and ensure participants have access to the necessary materials while learning. Unlike a traditional hobby store, our vision is to create a model studio that emphasizes education and community. Beyond courses and workshops, our facility provides a welcoming space for enthusiasts to gather, practice, and exchange ideas. By combining structured instruction with a supportive studio atmosphere, we aim to enrich the local creative community and promote hands-on craftsmanship in Richmond.	611610	4899 Vanguard Rd Unit 112 Richmond BC V6V 0W5	4899 Vanguard Rd Unit 112 Richmond, BC V6X 0W5	1	-1	0	333	667	548	0		1,548.00	No	2025/02/21	Individual

1555551	No	26016603	Gigme Staff Operations	2026/06/30	2026/09/04	Buraya yazabilirsin: GigMe Staff Operations is an online marketplace that connects event organizers with independent gig workers including bartenders, waitstaff, and event crew. Operating across Canada (excluding Quebec), the platform allows hosts to post event staffing needs, review applicants, hire workers, and process payments through a mobile application. Workers browse available shifts, apply, check in via GPS on the day of the event, and receive payment upon completion. The business operates primarily through digital infrastructure with no physical storefront. Revenue is generated through service fees charged to both hosts and workers on each completed booking.	561310	8880 No 1 Rd Unit 116 Richmond BC V7C 4C3	8880 No 1 Rd Unit 116 Richmond, BC V7C 4C3	1	0	1	980	0	0	0		980.00	Yes	2026/07/12	Individual
