## **Richmond Speed Skating Oval**

### **Expanded Base Piles Trade Package**

Dominion Fairmile Construction Ltd., acting as Construction Managers for the City of Richmond, on the construction of the new Richmond Speed Skating Oval, is requesting the submission of Pre-qualification Statements for the following trade package:

#### Expanded Base Piles

The Richmond Speed Skating Oval project is located at 6080 River Road and will be a multi-purpose facility that will host the long track speed skating competition at the 2010 Olympics. This legacy facility will have a building area of approximately 25,800 m<sup>2</sup> and a plaza of approximately 12,500 m<sup>2</sup>. There will be approximately 500 expanded base piles.

Interested Companies are to submit a two (2) completed Contractor's Qualification Statements CCDC 11-1996 to the Purchasing and Insurance Department, Information Counter, Main Floor, Richmond City Hall, 6911 No 3 Road, Richmond, BC, V6Y 2C1. Submissions marked "2775-A – Prequalification – Expanded Base Piles Trade Package" will be received until 1:00 p.m., local time, Thursday, November 24, 2005.

Submittals will be reviewed and evaluated with the objective of developing a short list of pre-qualified firms. The trade tender package is expected to be issued in either December 2005 or January 2006.
