Attention: To All Proponents

Dear Sir/Madame:

Re: Request for Quotation 4276Q Supply & Delivery Ten (10) Cutaway Vans - Addendum No. One

This Addendum includes items of clarification, forms part of the Contract Documents and shall be read, interpreted and coordinated with all other parts. Please review and consider the following information in the preparation of your quotation:

Q1. Option section I Number 1 . Is it Payload or GVW to 19000LBs (That is a big payload for a cutaway).

A1. A minimum GVW of 8000KG with option of increasing to 8636KG (19000LBS).

Q2. Does the Cab Section A2 Minimum GVW of 8000 KG (Payload of 1700KG) Does the payload include the body and its contents?

A2. Payload of 1700KG does not include body/contents.

Q3. Would you accept and low cab forward for this tender? They are more fuel efficient among many other advantages to a Van?

A3. No.

Q4. This RFQ is asking for cutaway vans with a GVW of minimum 8000 kg but payload of only 1700 kg. Then it asks for an option to upgrade the payload to 19,000 lbs. Can you please clarify these requirements? We need to know if you are looking for Express / Savana 14 ft cube van, which go up to 6400 kg (14,200lb) GVW and approx. 4120 kg (9100 lbs) payload not including the box, or medium duty trucks that we do not supply.

A4. The City will consider all options.

Proponents must sign and include this Addendum with their submission.

Signature, Name and Title

Yours truly,
