## **1.0 Introduction**

1.1. The City of Richmond (the City) invites Expressions of Interest (EOI) for the supply, install and program software of three (3) video boards to display video and text at the Plaza area and two (2) ribbon style screens at the Court Zone at the Richmond Olympic Oval located at 6111 River Road in Richmond, BC. The City will be evaluating those Expressions of Interest received and developing a short-list of companies to be listed in the supply and installation bid request.

## **2.0 Definitions**

2.1. Throughout this EOI the following definitions apply:

- a) “Expression of Interest” means a statement of qualifications submitted in response to and according to the terms of this Request for Expressions of Interest;
- b) “Respondent” means an individual or a company (vendor) that submits, or intends to submit, a Response;
- c) “Response” or “Submission” means an Expression of Interest;

## **3.0 Scope**

3.1. Screens for Basketball Courts:

- Two (2) separate signs may be installed for the portable (also known as the Premiere courts). Each sign would be mounted on the drywall bulkhead marking the area between the 2<sup>nd</sup> and 3<sup>rd</sup> floors and each would be centred with their respective basketball court. These screens would be of the “ribbon” style. The idea of these screens is to provide a modern, world-class look to the Oval while providing scoring/timing of events and also to have advertising. Video replay should also be possible by dividing up each screen into smaller 16:9 sections or by having video formatted for such an aspect ratio. These screens have been suggested to be 2 of 4’ high x 50’ wide or 2 of 4’ high x 75’ wide. At this size, the screens do not hang below the drywall on the bulkhead, nor do they cover up the glass panels mounted for the 3<sup>rd</sup> floor. The suggested Pixel Pitch is 8mm.

3.2. Submissions shall contain the following.

- Product make and model number
- Detailed information on the sign and technology. brochures, drawings, technical specifications, etc specific to the product.
- Details of sign operational capabilities including software information
- List of 3 similar installations in North America including references and phone numbers

- Warranty options and local technical support
- Approximate product cost in Canadian dollars including shipping to the site, set-up and commissioning for various offerings
