**Attention: To All Proponents**

Dear Madame/Sir:

**Re: Request for Quotation 4870Q Supply and Delivery of One (1) Forestry Aerial Lift Truck - Addendum One (1)**

This Addendum includes items of clarification; forms part of the Contract Documents and shall be read, interpreted and coordinated with all other parts of the tender. Please review and consider the following information in the preparation of your Quotation:

**1.0 Questions and Answers:**

**Q1. On page 20, CAB, TYPE, 1. Cab Style: It is stated as:**

“Conventional single axle cab and chassis with dual rear wheels and GVWR of approx. 33,000lbs. Primary application for vehicle is to be outfitted with a minimum of 50ft telescopic articulating aerial lift and a dumping debris service body to collect material from tow behind chipper unit”

Is the minimum of 50ft telescopic aerial lift working height or platform height?

**A1. The minimum 50ft telescopic aerial lift is platform height.**

**Please acknowledge receipt of this addendum by submitting a signed copy with your response.**
