Capstan Village

Capstan Village is a rapidly growing waterfront arts district located in Richmond, BC. The community features mixed-use residential and commercial developments with artist live/work studios, as well as arts and community facilities. A growing number of public artworks commissioned through the Private Development Public Art Program play a key role in placemaking initiatives and in providing residents and visitors an opportunity to connect with the area's natural and cultural heritage.

For more information about Richmond's Public Art Program and to view our complete on-line public art registry visit richmond.ca/publicart
