Dear Sir/Madam:

Re: Adoption of MMCD Platinum Book and Supplementary Specifications

The City of Richmond will adopt the Master Municipal Construction Document (MMCD) Platinum Book and updated Supplemental Specifications effective April 18, 2011. These documents form the basis by which design and construction of utility related infrastructure is completed in the City.

Please review the documents thoroughly to become familiar with all the changes that have been made. The City Supplementary Specifications may be purchased at the Information Counter of the main reception area on the first floor of City Hall (6911 No. 3 Road) at a cost of \$150 which includes HST. We suggest you call the Information Counter at 604-276-4000, local 3064 to confirm availability of the specifications.

Copies of the MMCD Platinum Book may be purchased as follows.

MMCD
Suite 102
211 Columbia Street
Vancouver BC V6A 2R5
604-681-0295

Yours truly,

Jim V. Young, P. Eng.
Manager Engineering Design and Construction
