

Louis Ho

How long have you been volunteering in total?

55 years in total with last 12 years in Richmond.

Why do you volunteer?

I've been a Scout Leader since 1967. I joined St. John Ambulance Brigade for more than 15 years in the Prairies. I moved to Richmond in 2010 and have been assisting the Cambie Community Center seniors program since then.

What are your top 2 volunteering experiences in Richmond?

Cambie Community Center Seniors Program and the Richmond Olympic Experience Museum.

How has volunteering connected you with people from diverse backgrounds and life experiences, and expanded your views?

I enjoy meeting people of all backgrounds and races and it broadens my mind. At Cambie Community Center, I meet different people in our area and I lead and support all our seniors program and events from arranging teachers and instructors to outside dance lessons to managing the Cambie Senior hall event set up and take down.
