

Changes to the Availability of Tender Documents

Starting in September 2010, full construction tender packages, including tender/contract documents and drawings, will be available for immediate download from the BC Bid website. BC Bid has an Email Notification Service that sends emails with links to new or amended opportunities that match the company's registered profile. This service is available by subscription an annual fee of \$100.00.

BC Bid subscribers will be able to access the City's documents online by logging onto their accounts, adding their company information to the Planholder List and then downloading the attachments with complete tender information.

To subscribe to BC Bid, visit:

<http://www.bcbid.gov.bc.ca/open.dll/welcome?language=En>

and click the Supplier Registration link in the upper right-hand area of the homepage. A registration guide is available in the "Downloadable Guides" section of this page.

The BC Bid Help Desk is open from 8:30am to 4:30pm weekdays, excluding holidays. In Victoria, call 250-387-7301. For toll-free access in other areas, call Enquiry BC at 1-800-663-7867 or in Greater Vancouver at 604-660-2421 and ask to be transferred to the BC Bid Help Desk.
