By granting this permit, the City of Richmond assumes no responsibility whatsoever for opening roads and lanes or providing water or any other service for or in connection with the property concerned. Where a professional engineer or architect, registered as such under provincial legislation, has certified that the plans comply with the current BC Building Code and any other applicable enactment, it should be expressly understood that the City has relied on such certification in issuing this permit and is not liable, directly or vicariously, for any damage, loss or expense caused or contributed to by an error, omission or other neglect in relation to its approval of the plans submitted. The issuance of a permit, the review of plans and supporting documents, or inspections by the building inspector or a registered professional are not a guarantee that the development complies with the BC Building Code or other applicable enactments and do not in any way relieve the owner, or his or her agent, from the responsibility of carrying out construction in substantial compliance with the requirements of the BC Building Code, this bylaw and other applicable bylaws of the City.
