

CITY OF RICHMOND INVITATION TO TENDER

Contract T.3452

Contract: 2009 Asphaltic Concrete Paving

The City of Richmond invites tenders for construction work at the locations indicated in the Instructions to Tenderers (part I) of the Contract Documents. Work under the Contract generally comprises:

Supply and installation of machine laid asphaltic concrete and asphaltic concrete grinding.

The *Contract Documents* are available on or after February 3rd, 2009 during normal business hours at Front of House of Richmond City Hall at:

6911 No. 3 Road, Richmond, BC, V6Y 2C1

on payment of a **non-refundable** amount of \$50.00 including GST payable to:

City of Richmond

The *Contract Documents* are available for viewing at:

Front of House, Richmond City Hall, 6911 No. 3 Road, Richmond and Vancouver Regional Construction Association, 3636 East 4th Avenue, Vancouver.

Any interpretation of, additions to, deletions from, or any other corrections to the Contract documents, will be issued as written addenda by the City of Richmond. It is the sole responsibility of the potential Tenderers to check with the City of Richmond's Website and / or BC Bid to ensure that all available information has been received prior to submitting a tender.

Tenders are scheduled to close at:

Tender Closing Time: 3:00 PM local time

Tender Closing Date: Thursday, February 26th, 2009 and will be opened publicly immediately thereafter in Richmond City Hall

Tender Submission Address: Manager – Purchasing & Risk
Front of House, Richmond City Hall
6911 No. 3 Road, Richmond, BC, V6Y 2C1

A tender consists of a submission delivered on time complete with the required Bid Bond, Undertaking of Surety and Undertaking of Liability Insurance.

The lowest or any tender will not necessarily be accepted.

TO THOSE WHO HAVE RECEIVED COPIES OF T.3452

Dear Sir/Madam:

**Re: Contract T.3452
Addendum No. 1
2009 Asphaltic Concrete Paving**

This addendum forms part of the Contract Documents and shall be read, interpreted and coordinated with all other parts. The costs of all work contained herein shall be included in the Contract Price. The following revisions supersede the information contained in the original Contract Document to the extent referenced and shall become part thereof.

1. Addendum No.1 Clarifications

All references to the year 2008 contained in the issued paving tender package are hereby to be replaced with the year 2009.

Yours truly,

Wasim Memon

TO THOSE WHO HAVE RECEIVED COPIES OF T.3452

Dear Sir/Madam:

**Re: Contract T.3452
Addendum No. 2
2009 Asphaltic Concrete Paving**

This addendum forms part of the Contract Documents and shall be read, interpreted and coordinated with all other parts. The costs of all work contained herein shall be included in the Contract Price. The following revisions/clarifications supersede the information contained in the original Contract Document to the extent referenced and shall become part thereof.

1. Addendum No.2 Clarifications

Pavement Reinforcement System (Glass Grid): All references made to Glass Grid contained in the issued paving tender packages are hereby further clarified to mean the following:

The City has approved the use of Nilex Pavement Reinforcement System products 8511 and 8512 for the use this year. All other comparable products will first require to be approved by the City's "Material Approval Committee". The proposed quantities for each product will vary and are relevant to site specific needs. The City expects to use the estimated quantities as noted in the Schedule of Quantities and Prices.

Yours truly,

Wasim Memon

TO THOSE WHO HAVE RECEIVED COPIES OF T.3452

Dear Sir/Madam:

**Re: Contract T.3452
Addendum No. 3
2009 Asphaltic Concrete Paving**

This addendum forms part of the Contract Documents and shall be read, interpreted and coordinated with all other parts. The costs of all work contained herein shall be included in the Contract Price. The following revisions/clarifications supersede the information contained in the original Contract Document to the extent referenced and shall become part thereof.

1. Addendum No.3 Clarifications – Estimated Quantities for each location published.

In response to questions raised by a number of interested bidders, the City has decided to share the information it has regarding the estimated tonnages per published locations. The City wishes to make it very clear that the information contained in the ensuing paragraphs is strictly for reference only.

As stated in the tender document, the published locations and associated quantities are subject to change in part or their entirety. Corresponding to each location, please find the estimated tonnage.

Major Roads

1. Elmbridge Way (west to Alderbridge Way including the Hollybridge Way intersection) – 1235 TNN
