TO THOSE WHO HAVE RECEIVED COPIES OF T.4204

Dear Sir/Madam:

**Re: Contract T.4204  
Addendum No. 2  
2011 Asphaltic Concrete Paving**

This addendum forms part of the Contract Documents and shall be read, interpreted and coordinated with all other parts. The costs of all work contained herein shall be included in the Contract Price. The following revisions supersede the information contained in the original Contract Document to the extent referenced and shall become part thereof.

### **1. Addendum No.2 – List of Proposed Paving Locations - Clarification**

The City's annual paving tender herein referenced to T.4204 does not contain list of proposed paving locations. The said information will be made available to the successful contractor at the time of the pre-construction meeting.

Tenderers are advised that the City Council is in the process of reviewing all City Budgets. If the City Council does not approve the budget for this work, award of this tender will not be completed. The quantities and proposed paving locations (as discussed above) may be reduced substantially and/or changed. No adjustments to the tendered unit rates will be considered if this reduction were to take place.

Yours truly,

Wasim Memon
