**Attention: To All Proponents**

Dear Bidders:

**Re: T. 5078 – Supply and Installation of Synthetic Sports Field Playing Surface System at Minoru Aquatic- Addendum #1**

This Addendum includes items of clarification, forms part of the Contract Documents and shall be read, interpreted and coordinated with all other parts. Please review and consider the following information in the preparation of your quotation:

- Correction: 4.4.4 . delete 50 inches and replace it with 20 inches

1. Question: Part E Appendices Appendix A, Drawings  
Can we have please the width and length for Minoru 2 & Minoru 3, this help us for the quantity of the turf required. The information is no clear on the document.

Answer: Minoru 2 is approximately 71 metres wide x 106 metres long. Minoru 3 is approximately 130 wide metres x 130 metres long. A design build tender that includes the design of the sports fields will confirm actual dimensions for the fields once it is available.

2. Question: Part D – tender Form Schedule of Quantities and Prices by Division  
On the tender form look like we are missing a column to have the unit price per square meter and a column for the price before any taxes. Please confirm we detail the price on the form.

Answer: Please delete Schedule of Quantities and Prices by Division (page3) and Separate Prices Options (page 31). Replace it with the next two pages.

Yours truly,

Sharon Bentley, SCMP  
Buyer 2
