Share your input on new affordable housing

We are seeking your input to help shape the development of new affordable rental housing on four City-owned sites. These locations are close to everyday amenities, public transit and open spaces. Together, they have the potential to deliver up to 260 affordable homes for the community.

Provide your feedback by completing an online survey or dropping into an open house on Fri, Jun 12 or Wed, Jun 17.

New regional water restrictions in place

Stage 3 water restrictions are now in effect across Metro Vancouver. The restrictions are intended to help conserve the region's drinking water supply during a period of continued dry weather, high seasonal demand, low snowpack and construction on the Stanley Park Water Supply Tunnel. Lawn watering is prohibited, vehicles and boats cannot be washed at home, and washing surfaces like driveways and sidewalks is prohibited.
