Email*: _____   **Tel No.*:** _____

Mailing Address*: _____

Signature*: _____   **Print Name*:** _____

If there are more than one owner, complete a new form for each additional owner.

*Required fields

Surety Bond Application Submission Checklist

Ensure the following information is included in the submitted Surety Bond application to avoid processing delays:

❑ **Land Title Search**

Current title search from the Land Title and Survey Authority (LTSA) for each parcel in the application.

Note: Land Title Search must be dated within **60 days of application submission**.

❑ **Letter from the Surety Bond Insurer**

A letter prepared and signed by a Surety Bond Insurer confirming compliance with the specified Surety Bond Qualification Criteria and Pilot Program limits (including certification) in Bulletin DEVAPPS-20 Use of Irrevocable/On-Demand Surety Bonds and outlining the proposed securities / charges.

Note: The Surety Bond Insurer must provide certification confirming credit rating.

❑ **Application Fees**

Payment of Surety Bond Application Processing Fee ($750.00 + GST per Surety Bond).

Note: Refer to Consolidated Fees Bylaw 8636. The processing fee is per proposed security, not per application (for example: Surety Bonds for DP landscape and Servicing Agreement securities would be 2 x $750.00 + GST).

An owner may apply or authorize another person to apply on the owner's behalf. Where an agent purports to act on behalf of an owner, it will be presumed that (a) he or she has the authority of the owner to act on his or her behalf and (b) that the agent will be responsible for all matters connected with the development, including the timely payment of fees for services rendered by the City.

It is also important for owners and agents to notify the City in writing of any change in their status with respect to the application, as they will be held responsible for the payment of costs incurred by the City while they appear on the file as the person responsible for the application. This is particularly important where the agent has been relieved of his or her authority to act on behalf of the owner, or where the property has been sold to a third party.

Applicants are encouraged to consult with the Development Applications Department prior to making their application to ensure they are aware of specified qualification criteria and limits, and the extent of documentation required to support the application. This can help to avoid any delays in the adoption of a rezoning bylaw, issuance of a DP, approval of a subdivision, or issuance of a BP resulting from the late submission of a Surety Bond application.

For more information about the use of Surety Bonds in the City of Richmond, including the specified qualification criteria and limits, please review Bulletin DEVAPPS-20 Use of Irrevocable/On-Demand Surety Bonds or contact the Development Applications Department at devapps@richmond.ca.
