

Nicole Yue

How long have you been volunteering in total?

8 years

Why do you volunteer?

I enjoy the feeling of helping others, meeting new people and learning from my community.

What are your top 2 volunteering experiences in Richmond?

I had fun helping with the Richmond Public Library Reading Buddies program and during the 2020 BC election.

How has volunteering connected you with people from diverse backgrounds and life experiences, and expanded your views?

I have met and learned a lot from people with diverse backgrounds, cultures and ages. Volunteering has taught me to be more respectful and how to view certain circumstances from a different perspective.
