

Qualified tree care professionals should undertake all tree work. Tree work can include: writing arborist reports, tree risk assessments, pruning, hazard tree removals and tree inventories.

Qualified Tree Care Professionals include:

- International Society of Arboriculture (ISA) Certified Arborist;
- International Society of Arboriculture (ISA) Tree Risk Assessor.

Tips for Hiring a Tree Care Professional

It's important to ask questions when hiring a tree care professional.

1. Are you a Qualified Tree Care Professional?
2. Do you have a City of Richmond Business License?
3. Do you have liability insurance?
4. Do you have Errors and Omissions Insurance? (Recommended for Consulting Arborists)
5. Have you done work in Richmond before?
6. How much experience do you have doing this work?
7. Are you familiar with the City of Richmond's Tree Protection Bylaw?

It is the responsibility of the property owners, property managers, property occupiers and any contractors they hire, to ensure that they comply with the City of Richmond Tree Protection Bylaw 8057. Contravention of Richmond's Tree Protection Bylaw 8057 can result in fines of up to \$10,000 per offence.

It is the responsibility of the property owners, property managers and property occupiers to hire the appropriate professionals for the work. Visit www.treesaregood.org to find an arborist near you or to verify a credential.

This list of Tree Care Professionals is not a recommendation by the City of Richmond. The City does not guarantee the work performed by these companies. The City does not guarantee the credentials of these companies.

You are free to choose any Tree Care Professional, including any not on this list, to carry out the work you require, as long as you ensure they comply with the City of Richmond Tree Protection Bylaw 8057.
